RE: Candidates for BHEA Election

During the week of Jan. 21, BHEA will conduct an election for all seats on our Representative Council. Below is a table of all members who have filed paperwork to be candidates in this election.

The filing deadline has passed, however members may still file to run for any position that is shown below as having “*no candidate.*” Ballots will be printed next week, so you must file a declaration of candidacy form very soon to ensure that your name will appear on the ballot. Candidacy forms are available to download at BHEA.org/News (see the Dec. 6 BHEA memo).
