RE: Special BHEA Election on Dec. 5, 2007

There are currently two vacancies on the 13-member BHEA Executive Board of Directors. One is the certificated position of At-Large Director. The other is the instructional assistant position of Vice-President. There is interest in the membership for filling at least one of these positions. BHEA will, accordingly, hold a special election on Dec. 5, 2007. The term of office for both of these positions is from the date of election until Jan. 31, 2008. Elected members would be able to serve at BHEA's Dec. 6 and Jan. 10 Executive Board meetings.

If you are interested in running for either the certificated At-Large Director or the instructional assistant Vice-President position in our special Dec. 5 election, please contact BHEA Certificated President Chris Bushée no later than **3:00 pm on Dec. 3.**

In January, BHEA will hold a general election for all seats on the Representative Council, including the Executive Board. Members who are elected in this general election will hold office from Feb. 1, 2008 until Jan. 31, 2010.
